

# AIGOV

# AI Governance CONFERENCE

SEPTEMBER 30, 2026 | 8:00 AM – 2:30 PM PACIFIC

# ONLINE EVENT PROSPECTUS

Join us online for six live sessions focused on  
AI governance

“[An online conference] run by DATAVERSITY was one of Collibra’s top sources of quality leads for all of 2023. It provided greater value in terms of discovery calls and pipeline creation than larger, more expensive events we sponsored.”

– Lindsay Roland, Collibra

# Sponsorships starting at \$25,000

The **AI Governance Conference (AIGov)** is focused on providing thought leadership and best practices for the critically important emerging areas of AI governance. This event brings the reputation of our face-to-face events to a virtual platform, enabling not only great insights from well-respected subject matter experts, but also opportunities for attendees to network and chat with one another.
